Lisa,

Last year was a blast,
Especially in Coach Walters
class. We gotta go back and
see him. Give me a call some-
time and we'll go and
Party. 396-6286

Our book is Odyssey, meaning adventure of life and travel. As children grow they will travel and experience the teaching of adventure. A student grows through school, exploring each year collecting memories. In our book we would like to produce this image of travel showing each individual how they and the world around will change in one year. Our theme, "New faces . . . new places", gives the feeling of growing up—change and new horizons.

When the old everyday routine becomes the "pits," some students find an outlet; screams of school pride, the nail biting of anticipation, and tears of defeat. All are part of the sports and activities at Vines. Escaping from the pressures and just having fun.

Dreams already dreamed may be shattered and those without dreams may find some. Those students involved in special clubs, struggle to make the buck so that they may enjoy field trips and contests. Some sponsor dances and others plan to buy items of usefulness for Vines to enjoy in the future.

In the athletic department, the kids choose sports they have fun playing and then practice, practice, and practice some more. All for a good cause of course. To win. To become a future part of Plano's winning tradition.

Basketball, football, baseball, volleyball, and all the rest add heartache to the year. Fortunately the good outweighs the bad in the athletics department. Win or lose, it is a lot of fun, no matter what sport suits your fancy.

As freshmen were welcomed to Vines, new friendships were created and added to the old ones as memories of fun and laughter were produced. Little o'l Vines can seem so big. Then as the year flies by everyone finds their shortcuts. The Freshmen represented the new faces in the theme of the Odyssey. They took a big step down the road of life this year.

As for new places, that's where the Sophomores came in. They had found their way around school the past year and then came the time to explore the new places. At the sophomore level everything seemed a little less difficult. At the close of the year the Sophomores were well on their way down life's long road. The light is still green.

At Vines, Viking pride was extremely visible. Hopefully all the students at Vines shared an excellent nine months. Memories of these months will never fade.

"We get down when we attack, Hey, Hey,! This was one of the many cheers heard throughout the year by the Vines sophomore cheerleaders at camp as well as on the field. The eight cheerleaders and one mascot, chosen last year, attended camp at Southern Methodist University to get their Viking spirit fired up for the following year at Vines. While at camp the cheerleaders earned five superior ribbons, one excellent ribbon, and later went on to win the spirit stick. The Viking spirit had just begun. Doug Damewood, the cheerleaders sponsor, supported the girls throughout the year. The cheerleaders received their appreciation through pep rallies, games, and competition. The sophomore cheerleaders yelled and jumped their way into a winning season and had sympathy for the team at their drastic moments. The sophomore cheerleaders had a successful season. No matter what the conditions were sore throats, tired legs, the sophomore cheerleaders were always their best.

VIKETTES:

Steppin' to the Beat

The Vikettes

The consistent taps on a tambourine signaled the entry of the Vines Vikettes. Forty-seven sophomore girls made up this select group. These girls have worked many long and hard hours to obtain the perfection they now have.

When did it all start? The Vikettes started officially practicing July 9 and spent 4 additional days at S.M.U., the site of the American Drill Team School summer clinic. Here the Vikettes received various awards in pompon and marching and two special awards for most improved and best disciplined drill team. Ironically all of these awards were won without the presence of their permanent sponsor.

Some fifteen girls won individual ribbons in pompon, dance, and marching contests. This summer experience obviously paid off, for the Vikettes received 1st place in the Annual Jay-Cees Christmas Parade. However, the awards which the Vikettes are most proud of are their two 1st place ribbons won at the Miss Texas Drill Team Pageant. The Spring Review was the last performance given by the 79-80 Vines Vikettes.

Freshman Cheerleaders — Spreadin' Spirit

The freshman cheerleaders made their first year at Vines an enjoyable and spirited one. During the summer they attended camp at Southern Methodist University where they won four superior, and one excellent ribbon. They also won the spirit stick. After camp, work was not over. They practiced everyday for the games and pep rallies. With the help of their sponsor, Doug Damewood the freshman cheerleaders had a busy and successful year. All the participants of freshman sports appreciated all the time and enthusiasm that the girls gave to all of the teams.

Practice Leads to Perfection

The Freshman Drill Team is a class which prepares the girls for future Drill Team tryouts. These girls are hoping to be selected for next year's Vikettes. In addition to their preparation for Vikettes, they gave a performance at a Freshman basketball game. They performed a military routine to "President Kennedy's March" and a jazz routine to "Shake Your Groove Thing." This show was very well done. Mrs. McNeil is proud of this group and we are too.

This year, the Vikings made several major strides towards becoming good enough to play for the Wildcats next year. These individuals gradually developed into a successful team, with a common goal and purpose as the season progressed. As a team, the Vikings performed well during the season, gaining strength, maturity, and vital experience during the spring training season throughout the year. These players faced some tough competition. It was their second to last game against Denton sophomores. It was to be played at Denton field. In the history of the Vikings, they had never beaten Denton playing on Denton's field. It was late in the game and the Vikings were not ahead. The outcome of the game depended on whether the Vikings could score with four minutes left; it was fourth and two. The touchdown attempt was good, and so the Vikings went home with a great win. For the last game of the season, the Vikings were to play the Richardson sophomores. "We felt that for a successful season, we had to go out on a winning note." This was a big challenge to the team. This was the best executed game, and all the

players played with great enthusiasm and desire. Because of this, they completely dominated the Richardson team. Throughout the year, several players were hurt, but the backup players came through when it really counted. This led to an unprecedented victory for the Vines coaching staff and team. We all thank them for such a wonderful job.

The transition from middle school football to high school football is a difficult one, but the young men that made up the freshman football teams of Vines made it with flying colors. They were asked to make sacrifices that they had never had to make before, and they did it without hesitation. These young men are to be commended and congratulated for making it through both the good and the bad times that accompany any type of athletic event. Coach Walker, coach Farish, and coach Mankins believe that these young men will succeed in any athletic venture that they enter, and that they will represent Vines in only the best way next year. It was also the coaches wish that in two years they will be able to see these young men playing an important role in bringing the continued excellence in football that everyone in Plano strives for. The coaches led the freshmen "A" team to a 7-3 game total and worked with the "B" team to reach a 1-3 season total. We give great thanks for the effort of the freshman teams.

Sophomore's Spike Up Season

The 10th grade girls volleyball team, coached by Jan Smith, spiked up the year with a season record of 12-6. They played in several tournaments this year. After playing in the Grand Prairie tournament, they brought back a 2nd place trophy. They got a 3rd place trophy after playing Lincoln. In addition, Marcia Farmer was voted 'most spirited,' Kristle Knudsen was voted 'most improved,' and the 'most valuable player' was Toni Ruckle.

NEW PLAYER

History Conquers the World

A new part of our clubs this year was the World History Club sponsored by Mrs. Haggard. They had bake sales and a movie for the World History classes. At Christmas they took gifts and cookies to the Plano Nursing Home and sponsored a speaker to talk about "Black Death." They also attended a Greek Orthodox Festival where they sponsored a speaker who spoke on "The Family in Europe." In March they went on a field trip to the Ice Age exhibit. This new club had an exciting year and hope to have many more to come.

Speech — What's the Good Word?

The Speech Team was very honored this year. They received notice of their affiliation in the National Forensic League, a great achievement for the team and their sponsor, Mrs. Griffin. Tournaments were the most important event for every member. Tournaments at LD Bell, Hillcrest, Trinity, Grady Spruce, Plano Senior High, Jesuit SFA State, and Clark were attended. Vines and Williams also co-hosted a tournament. Although every member couldn't always attend, the team had a very successful year.

Vines Drama Club Acts Up

The Drama Club was formed for students who were interested in a theatrical field. The money raised through bake sales helped to present two successful plays. One of the shows, "The Secret Life of Walter Mitty," was open to any of the students who wanted to "get into the act." The leading role of Walter Mitty was played by Clint Schreiner. Other cast members were: Paige Bellany, Becky Hamilton, Dwain Singleton, Stacey Travis, Steve Frazee, Missi Huthins, and Grant Johnson. Lisa Schultz and Jeanne LaMarca were the stage managers and the assistant director was

This year the new members were: David Butler, Debbie Crohn, Luke Drury, Valinda Garrison, Ann Greer, Kris Kinsella, and Jenny Woods. The new members were both Freshman and Sophomore who had a common interest in theater.

In the first round they beat W. T. White. They lost to North Garland in the second round, and in the third round they beat Lewisville. Rod Steging was the team leader by averaging 15.4 points per game, 8 rebounds, and a 58% free throw average. Todd Palmer came in second averaging 9.5 points per game, 7.7 rebounds, and a 43% free throw average. Greg Griffin was third in the statistics averaging 8.7 points per game, 3.6 rebounds and a 60% free throw average. Joe Durrett followed him with a point average of 5.7, 3.9 rebounds, and a 42% free throw average. Kirk McLemore averaged 3.5 points per game, 1.7 rebounds, and a 45% free throw average.

Their only losses were to Bishop Lynch, in overtime, with the score Vines 53 and Bishop Lynch 55, and to South Oak Cliff with a score of 32-34. They also played in 2 tournaments this year. The first one was the Plano J.V. tournament in which they captured 1st place. In the first round Vines beat Lake Highlands 59-35, but they just edged by R. L. Turner with a score of 39-34 in the second round. Vines out-played J. J. Pearce in the third round 51-33. MacArthur J.V. tournament was the second tournament in which they also won a 1st place trophy. In the first round Vines upset Grand Prairie 46-26. They outshot Arlington in the second round 47-25, and in the third round Vines bounced MacArthur 45-21. Their point average per game was an incredible 57 points and their opponent's average per game was only 26 points.

Frosh. Have Productive Year

The young men that played basketball for Vines this year learned many a hard lesson. Although the season record for the A team was 2-11 and 9-4 for the B team, these 20 young men gave an effort that separated them from the rest. They learned that defense is more important than offense and if you want to win, you must play as a team. Their coach, Tommie Mankins said, "We may not have won many games, but these people are prepared to be 10th grade Vikings and ultimately Wildcats."

The 9th grade girls basketball team, coached by Paula Meyer, had an outstanding year. The A team finished the season with a remarkable record of 13-1. Although the B team finished with a 2-5 record, it did not reflect the hard work the girls put in. The A team played in the district tournament and won 2nd place, by beating Williams 28-22, but losing to Lewisville in the final round 26-30.

Has Student Council gone camera shy?

Student Council has spread spirit throughout Vines this year. Student Council along with the Cheerleaders, sponsored Spirit Week during Oct. 29th through Nov. 2nd. This helped to promote school pride and added spirit to that week's game. The week was followed by a Harvest Dance, given by the council. During March 17-21, the council, along with the Honor Society, sponsored Purple Pride Week.

To begin the year the council greeted each teacher with a carnation. But, this wasn't the beginning of the Student Council year. Earlier in July, Jeff Sigman, Mark Hood, and Mrs. Griffin attended a Student Council Workshop at Stephen F. Austin University. Five delegates went to Austin for a state convention in April.

Throughout the year, the council was busy selling sing-a-grams, suckers, and candy bars.

To sum up the year the council attended a banquet given in their honor at Vines. To introduce the future Junior class, the councils from Clark, Williams, and Vines, sponsored a formal dance for all sophomores.

Committee Members

The Vines Chapter of the National Junior Honor Society is a group of individuals who strive for high set personal and academic goals. The requirements for this club are a 92 grade average, good citizenship and an accumulation of 12 service points each quarter. To receive these required points, various jobs must be done. Grading papers, selling candy during fund raisers, working in the school store, and tutoring are a few of the things done to earn these points.

This group, sponsored by Ms. Clifton and Ms. Walkup, organized many projects this year. The most satisfying and heart warming of these was the adoption of an elderly woman at Christmas time. The Honor Society did numerous projects for Purple Pride Week. A dance, with the theme of "Purple Paradise," was an activity given for the students. Also during this time the Honor Society donated a video tape machine to the school. These projects were only a few taken on by the Honor Society this year. The Honor Society is a club we at Vines are proud of.

Latin Club, A Big Success

Success was the word for the Latin Club this year. With success in mind, they plunged forward into a very busy, but rewarding experience. With the help of Mrs. Duke, their sponsor, they planned and prepared for their upcoming activities, such as the Foreign Language Food Fair, the Foreign Language Christmas Party, a spring dinner, and the District Foreign Language Fair. The Latin Club accomplished a lot this year, and will try to make next year just as successful.

A Little Bit of Paris

This year the French Club did several fund raising projects. They participated in the Foreign Foods Fair held during second quarter. Here they offered many delicious French pastries and some outstanding hors-d'ouvers. At Open House their room was most popular. The reason, free crêpes with numerous fillings! They also sold candy bars to raise the total of their club fund. This group is sponsored by Ms. Spring the French teacher here at Vines. Congratulations for a great year!

Spanish Club members had a muy bueno year. They participated in a food fair, in which they sold Mexican food, which was one of their major activities. Other fund raising activities included selling candy and carnations on Valentine's Day. In December, they had a Christmas Party with German and Latin Club. In April, the club attended the State Convention of the Pan American Student Forum in San Antonio. Orchestra "played" their part in student activity this year. They raised money to go to a clinic and a contest at Six Flags through bake sales, donut sales, and selling candy bars. They went to an U.I.L. contest and many of the members received first division places in the solo ensemble contest. Carmen Falls, Kristi Swierenga, Michelle Gresset, Alfred Shen, and David Richardson, made all region orchestra. Many people think that when football season ended, the Viking Band finished for the year. But the band, directed by Mr. Finnell and Mr. Stubbs, worked even harder for many more events.

Since the beginning of the year, the band members raised money for a trip to Houston in April. They sold magazine subscriptions, coupon books, pecans, and tickets to two performances. With the money raised, they went to Houston and competed in the Astroworld Band Festival.

Contests are important in every band member's mind. At marching contest, on November 6, the

combined band played and received a 1st division rating. All Region Band Tryouts, held on December 1 and 8, also proved successful. Eighteen members from Vines and others from around the region placed in the band, and together they put on an excellent performance. Solo and Ensemble is a competition where one person or a group of people work up a piece of music and play it for a judge. Forty people from Vines received a 1st division. One of the biggest contests of the year was the UIL Contest, held on March 13. The bands competed in a concert division, where each band played three numbers. They then sightread a new piece of music. Both bands did very well and found out what to improve on for next year.

Marching wasn't everything for the Vines Band. They also took part in pep rallies, fund raisers, contests, and a trip. These events made for a pretty tight schedule, but the Vines Band worked very hard and performed to their peak of excellence.

"Encore" to the Choir

The Vines choir consists of three major choirs; mixed choir; girls choir, and concert choir. Throughout the year, the choirs have had several concert performances. In December, they had a Christmas concert, and they also performed a spring concert. In April the choirs attended competition at Williams High School. Racheal Fleskes, a member of the concert choir, was chosen as a member of the All Region Choir. Mr. Waldrop has worked with the choirs all year, which makes them enjoyable to listen to.

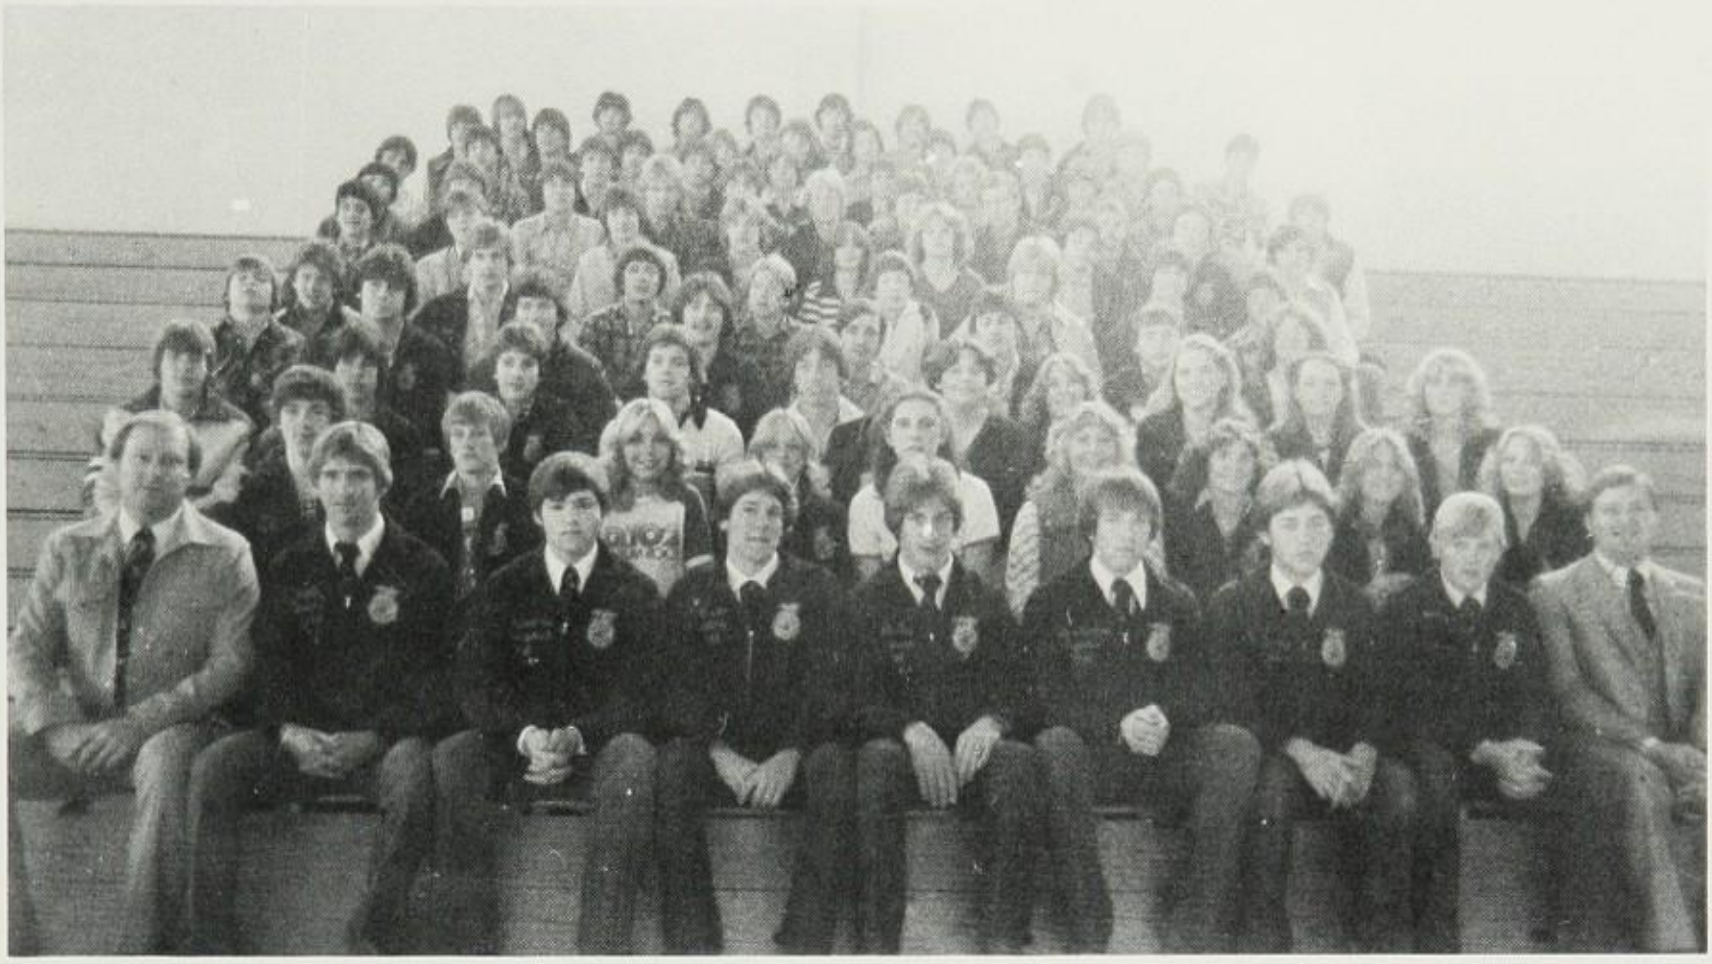
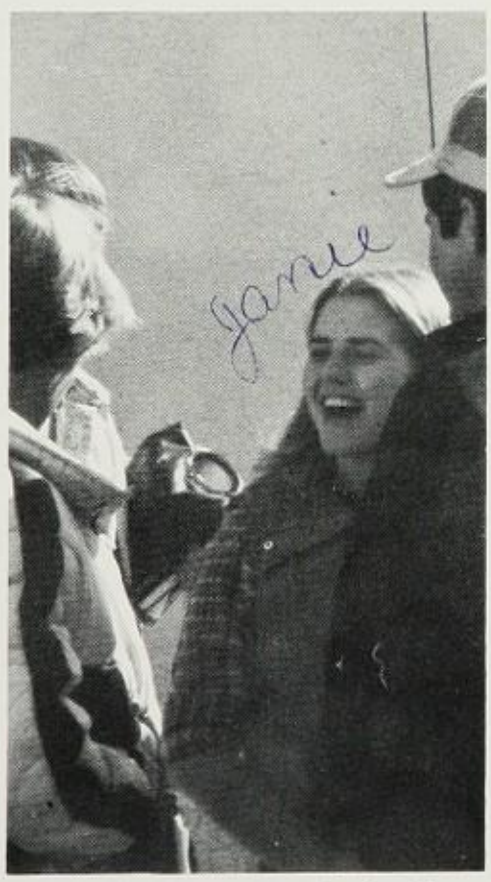
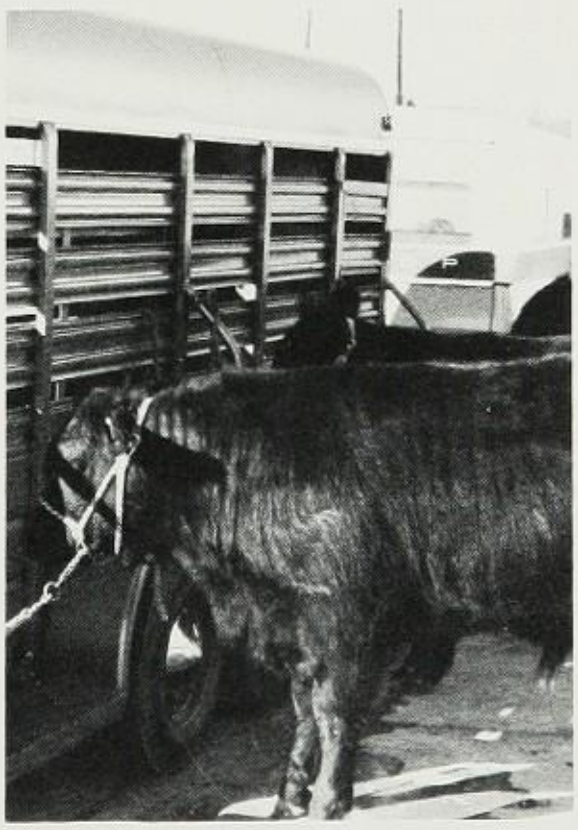
Future Farmers Are The Cream of the Crop



Future Farmers of America



F.F.A. shootin' the bull.



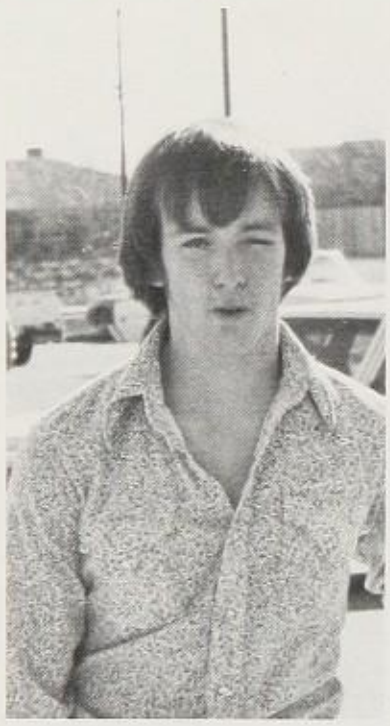
These cows think Ag.'s a drag.

Meet the Vine's High Skoal Brothers.

The Vines Chapter of the F.F.A. has been active in many Stock Shows around the state during the year. In the Southwestern Exposition and Fat Stock Show, the first show of the year, Brian Lowe placed 2nd and Powell Cannon placed 8th in a class of 17. Daryll Beavers placed 24th in a class of 72. Numerous Ag. students entered their cattle in the Houston Livestock Show and Rodeo, February 26-March 2. Last on the F.F.A. agenda was the Collin County Livestock Show, March 26-29, held in McKinney. Many members of F.F.A. participated in the McKinney Show.

In the spring, the four Plano F.F.A. Chapters participated in a Special Project Show, which allowed all members to show their livestock projects.

Each student had a project to take care of during the year. These projects could be anything from a cow to a pig, and each student had the opportunity to show his or her project in stock shows around the state.



My heros have always been cowboys.

Tennis Team Is on the Ball!

Their overall team total was nine wins, three losses, and two ties. They have traveled to Duncanville, Rockwall, Garland, and Keist to compete in tournaments. These people are the members of the Vines High School Tennis Team. Russell Hammeet, Brett Hendricks, and Kurt MacLemore received awards for their achievements in past tournaments. Late in March, the team repainted the court surface, a helpful benefit for both the team and the school.

9th Track Sees Brighter Future

This year the 9th grade track team had a good year. The team's final season record was 4 victories and 2 losses. In the city championship meet, Vines did a remarkable job. Several Vines High School records were tied and broken during the season. The running events were new records since the 1980 season track distances were converted to meters instead of yards. We appreciate their effort and athletic ability, and hope 9th boys track will be able to follow in their footsteps.

It's the will to do your best that counts.

Mark McCormack stays on the right track.

The sophomores from Vines High School, which were coached by Mike Farish, along with the sophomores from Williams and Clark High Schools made up the junior varsity track team. This team had a spectacular season, with a great record of first place, third place, and honorable mention. The sophomores participated in the North Garland Relays, bringing home six medals. The track team also participated in the Lewisville and Grand Prairie meets. The majority of their sophomore year is a preparational stage before Varsity competition their Junior and Senior year. The sophomores practice with the Varsity track team and compete in several of the same meets. Participating in a sport like track takes a lot of muscle building and hard, strenuous work. The members of the sophomore track team are self-motivated and discipline themselves to set and achieve their goals, in order that they may better themselves for future competition as a Plano Wildcat. The guys went all out this year and did their best.

Track — Just Truckin' on Down

Ninth grade girls track team had an exciting year. These girls participated in many meets. They traveled to Carrollton, Lewisville, and Highland Park. The girls competed in several different events. Their strongest events were the mile run with Cindy Tolle, and the 800 meter with Cindy, Kim Meyer, and Nancy Schellhorn. They worked out first period during second and third quarter. These girls are working hard to make the sophomore team for next year. Coach Adams was pleased with the girls' effort.

Track Hurdles to Victory

Tenth grade girls' track season was short but rewarding. They ran with Clark and Williams at PSHS during first period. Miss Smith, their coach, says the girls gained a lot of experience this year. In the four meets they participated in, they finished first, fifth, and ninth. The girls contributed as such: Marcia Farmer — 400 relay team, 200 relay team, 220 dash; Carmen Falls — 400 dash; Michelle Hunn — 400 relay team, 800 relay team, 100 dash; Kristl Knudsen — long jump, triple jump; Karen Harrison — 400 run, 800 run; Libby West — 400 relay team, 800 relay team, 200 dash.

"Hells angels" . . . Can't ya tell?!

Coach Randy Jeffries

Coach Jeffries graplers really "lowered the boom" this year. Vines wrestlers had an 11 win, 1 loss and 1 tie record which was the very best ever in Vines wrestling history. All the team was very proud of this record. Wrestling sort of came alive in 1980. The whole team plus a few more set out to break a human pyramid record on Purple Pride day. The guys did a great job. They were great hams for pictures too! In some meets Vines was joined with Williams and Clark to compete against larger schools. The Viking wrestlers had a so called Varsity level for the more experienced and more competitive wrestlers. Whether varsity or not the team was excellent. They even competed against seniors and beat a few of them. At one meet, Vines VS. Richardson, Vines had 41 first places, and 3 third places. Other scores are as follows, Vines vs Skyline 52-6, Sunset tourny 15 of 21, Madison dual meet 30 of 38, Berkner dual meet 32-32, Jesuit dual meet 56-6, Trinity meet 62-6, Bishop Lynch meet 39-27.

The Vines Vikings Baseball team had a "comeback" season. The first half of the season the Vikings fell behind with a record of seven losses and zero wins. They finished the second half of the season with four wins and two losses. Coach Carroll and Coach Walker worked every day with the team to help them progress through the Baseball season. The Vines team had four successful pitchers. Steve Terrell helped the team win two games, while Jimmy Wehmeier and Ty Hoffman pulled out one game each. Billy Jordan was the leading batter of the team with an average of .340. Kurt Williams was second with an average of .333. The team consisted of thirteen sophomore players and six freshmen. Although the Viking Baseball score record wasn't anything to speak of, the boys gave it a great try. They worked really hard and to actually see the game was a different story from what the scores did say. The Vines Baseball team played Plano Senior High School Junior Varsity and put up a big fight. They only lost by one point.

Steve Ader watches, waits, and wonders when the ball is going to come.

It's Work, But It's Worth It.

The Odyssey staff set their minds thinking of a theme for the 1979-80 yearbook which would please all. They started this brain storming in the summer when they attended a summer journalism workshop at S.M.U. The classes were taught by professional artists who were a great help in finding fresh ideas. The theme of the book is yearly progression expressed by traffic symbols. We started the year with a green light, meeting new faces and seeing new places. Toward the end of the book the red light symbolizes the end of another year but sets the scene for yet

F.H.A. Cooks Up a Good Year

The Future Homemakers of America cooked up a fun and exciting year. This year, they raised money by selling candy bars and heart-shaped lollipops for the Heart Society. A cooking school for the Girl Scouts was set up by FHA. Some of the members of FHA attended a meeting in Denton, while others went to Houston. At Open House FHA supplied us with a chili supper, and later cooked at an awards banquet for their outstanding members. In all, the homemakers experienced a rewarding year.

Follow the Leaders of FCA

Fellowship of Christian Athletes is the bond between sports and Christian life. The members of FCA participate in sports, and also learn the Christian way of life. For the third consecutive year, FCA has sponsored the annual Christmas dance. Another well-known activity of FCA is the famous dunking booth. One of the major events of FCA is the Greater Dallas FCA Breakfast, at which they heard Bob Breunning, of the Dallas Cowboys talk. FCA is a wonderful experience enjoyed by many athletes.

Rod Whitehurst concentrates on the lecture.

ROTC Provides School Leadership

Halt! Who goes there?

Dean of Discipline takes command.

Leslie Jones and Fred Burnhart reporting for duty, sir.

Is this how Amelia Airhart got started?

ROTC really knows how to pack in a crowd!

David Rubarth, ROTC has a proposition for you.

Although they were drilled hard, the Vines ROTC managed to have an exciting and rewarding year. At the start of the year a picnic, car wash, and a trip to UTA and Six Flags were a part of the curriculum. This put everyone on the right foot to begin a year of hard work.

The Rangers went to two Orienteering Meets and a Ranger exercise at Fort Wolters and Fort Hood. The Rifle and Drill Teams went traveling all around the state including Galveston. All of the Cadets went to San Antonio and Forts Sill and Polk for field trips.

For fun and relaxation, a Turkey Shoot and the Christmas Parade got the Thanksgiving and Christmas seasons off to a good start. Also, in February, a Military Ball was given in their honor. And to sum up their year of achievement, an Awards Banquet was given in May.

The whole year though was not all fun and travel, the Annual Formal Inspection and Command Inspection are two tough times of the year for the ROTC and a lot of time and effort are put forth in order to pass.

Lisa,
I'm glad I met you this year in tenth grade. I hope we stay friends through the years. But the years always seem to go around so fast. Well I'll call you sometime. Always, Angie

Dear Angie,
Glad you met me this year. Hope we stay friends through the years. Call me sometime. Love, Lisa

Lisa.
Howdy!! Boy did we have fun in the 10th. Hopfully our 11th will be a little duller so we won't get in any more trouble!! We'll get to get together some night while you're not grounded. Well, I gotta look now. Check ya later.
Call me sometime 424-8159
